

DERBY LITE® Skate Packages

Through a professional partnership with Crazy Skates International, Derby Lite is proud to present two new custom Fitness Skate package options to our members during registration.

The VXi with upgrades detailed below will be offered for \$152 + tax. A \$180 retail value!

Participants may purchase up-front or choose Rent-to-Own and split up payments: \$76 up front and \$76 + tax and \$10 convenience fee on the full sale price at the end of the session.

The DBX1 with upgrades detailed below will be offered for \$194 + tax. A \$230 retail value!

Participants may choose to Rent-to-Own and split up payments: \$97 up front and \$97 + tax and \$10 convenience fee on the full sale price at the end of the session.

The DERBY LITE VXi Package by Crazy Skates

- ★ Low cut, rolled collar, strong and lightweight vinyl boot
- ★ Velcro power straps prevent heel lift
- ★ Adjustable toe box accommodates narrow to wide feet
- ★ Padded tongue
- ★ 3D contoured footbed
- ★ Two sets of Crazy Premium Laces: black and pink
- ★ 8mm axles
- ★ Fiber Nylon APOLLO plate is strong, responsive, rigid and light with simple-to-use adjustments
- ★ Upgraded Lil' Bloc wide and stable non-marking toe stops
- ★ Choice of wheels:
 - ★ 63x42mm BANDIT 90A – harder wheel for rinks, faster & wider, more roll, less grip
 - ★ 62x38mm BRUISER 84A Hybrid – softer wheel for indoor/outdoor use, stable & versatile

The DERBY LITE DBX1 Package by Crazy Skates

- ★ Black Microfiber boot with 3 in 1 Integrated Foot Bed System, a patented 3in1 footbed lets you customize your skates to get the fit you need. This unique system uses innersole inserts to change the internal size of your skates to accommodate 3 sizes of feet in one
- ★ Latex memory foam Heel Lock Technology eliminates heel lift and lateral slide inside the boot
- ★ 3D tongue forms to the natural anatomy of the foot
- ★ Two sets of Crazy Premium Laces: black and pink
- ★ Aluminum trucks with 8mm axles
- ★ Fiber Nylon APOLLO plate is strong, responsive, rigid and light with simple-to-use adjustments
- ★ Upgraded Lil' Bloc wide and stable non-marking toe stops
- ★ Choice of wheels:
 - ★ 63x42mm BANDIT 90A – harder wheel for rinks, faster & wider, more roll, less grip.
 - ★ 62x38mm BRUISER 84A Hybrid - softer wheel for indoor/outdoor use, stable & versatile
